

ACPSEM

Australasian College of Physical Scientists & Engineers in Medicine

ABN 44 005 379 162

Interested in engineering or physics or chemistry in medicine?

Then you are cordially invited to the 2011
WA ACPSEM Scientific Meeting

With guest speaker Dr. William MacDonald
Director of Medical Imaging, Department of Health

9am, Saturday 30th July 2011
Department of Medical Technology & Physics
Sir Charles Gairdner Hospital

Free BBQ lunch to follow

If you have some interesting new work, or have a poster you presented elsewhere during the past year, then we are keen to hear about it.

Please submit abstracts (less than 1 page) no later than Fri 15th July to Martin Ebert (martin.ebert@health.wa.gov.au).

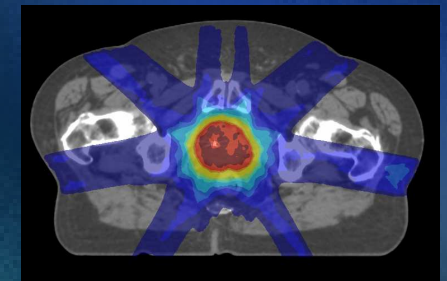

Full time university students who present are eligible for the John Black Student Award. (more information available online at the ACPSEM WA branch website).

If you would like to attend the meeting please respond to John Geraghty (John.Geraghty@health.wa.gov.au) by 15th July.

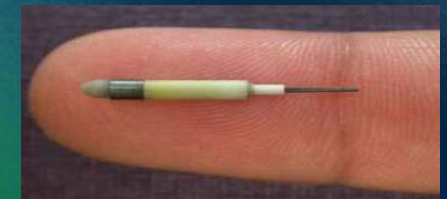

Registration fees: \$10 ACPSEM members, \$15 non-members, payable on the day.

Modern external beam linear accelerator

External beam prostate radiotherapy

Miniature electronic brachytherapy x-ray source
